MONTHLY PARKING PASSCARD GUIDELINES

You have been assigned to park in the Powerhouse Square Parking Deck. In order to make your parking experience as pleasant and uneventful as possible, please take a moment to review these guidelines specific to this location.

- Your parking privileges allow you to park ONE vehicle in the deck at any time from 6 a.m. until 6 p.m., Sunday through Saturday. Should you attempt to use your passcard to exit after 6 p.m., you may be required to pay the attendant on duty a $10 non-refundable fee. Continued abuse of your privileges may result in your passcard being terminated. You must park on the upper (roof) level of the deck. Simply put, if you cannot look up and see the sky, you are parked in the wrong area. (Note: the roof level restrictions may be lifted ONLY in the event the roof level is covered in snow or ice; other inclement weather does not preclude the need to park on the roof level)

- You will be issued a passcard that will allow you access to the deck. Enter and exit the deck through the lanes adjacent to the attendant’s booth, on the westerly side of the deck. You will also be issued a window sticker that must be displayed on your vehicle at all times while in the deck.

- Please do NOT allow anyone to use your passcard. Our system is designed to only allow one use of the passcard at a time for deck access. Trying to use the passcard to allow someone else to enter or exit the deck may cause your passcard to not work and subject you to penalties or cancellation.

- Should your passcard become lost, immediately notify the appropriate person in Campbell’s administrative offices.

- The deck manager, McLaurin Parking, has personnel who periodically patrol and check the parking areas. Should you observe any possible illegal or suspicious activity while in the deck, please immediately call the McLaurin office at 919-833-7522 or inform the parking attendant (if on duty). If you feel your safety is threatened, immediately dial 911.

Should you need additional information regarding your parking options, please contact Campbell’s administrative offices.
